### Catarrh Cannot Be Cured

with Local Applications, as they can  
not reach the seat of the disease. Cat-  
arrh is a blood or constitutional dis-  
ease and in order to cure it you must  
take internal remedies. Hall's Catarrh  
Cure is taken internally, and acts di-  
rectly on the blood and mucous sur-  
faces. Hall's Catarrh Cure is not a  
quack medicine. It was prescribed by  
one of the best physicians in this  
country for years, and is a regular  
prescription. It is composed of the best  
tonics known, combined with the blood  
purifiers, acting directly on the mu-  
cous surfaces. The perfect combina-  
tion of the two ingredients is what  
produces such wonderful results cur-

This has been one of the loveliest  
seasons. The early frosts were so light  
that the forests look on their autumn  
shades and there had been such a  
beauty that life and  
joyousness and not death and melan-  
choly was the spirit of the woods.  
Saturday and Sunday nights though  
have brought out the sere and rusty  
and the brightness is going from up-  
land, glade and glen."

## Wedding Announcement.

The above combination of words  
proves an interesting one, and it is  
always attractive. This is also  
true in other things than words.  
The Jewelry at the W. B. OELZE  
store proves very attractive, and  
all of the fads and fancies of the  
season can be seen there.

One of the articles that con-  
tinues in vogue is the Seal Ring to  
be worn on the little finger. It  
comes in various designs, and  
some are set with small stones on  
side of seal.

Another thing that is attracting  
interest is the Platinum Jewelry.  
Platinum costs about twice as  
much as Gold, but it makes a fine  
mounting for Diamonds, and  
gives to the stone a greater bril-  
liancy than does Gold.

Pearls continue to be quite the  
thing and they are more popular  
than the Diamond, but of course  
the Diamond has a place that  
cannot be filled by any other  
jewel.

Bracelets are coming in style  
again, and the patterns tend to-  
ward that of the snake. Brace-  
lets set with colored stones are  
proving very tasty.

Enameled goods are being used  
more than ever, and the Brooches  
and Pins of this material are very  
much in vogue.

## Many Times

You need articles that can-  
not be purchased in your  
home town—then you must  
buy elsewhere. Now the  
question with you is "How  
can I get what I want with-  
out the expense, time and  
trouble of going to the city?"  
My answer is "Send your or-  
der to me with the description  
and let me purchase your  
goods without charge."

The many little things my  
experience as a purchasing  
agent has taught me of the  
quality, style and use of  
goods you get the benefit of  
when you place your order
